SPECIAL

D.O.No.53354/48/E.5

Office of the Provincial Textile Commissioner, Egmore, Madras, 11th August, 1948.

My dear Narasimhan,

Sub: Textiles - Mill cloth - defreezing accumulated stock in mills in this Province - Proposals.

Ref: (1) Telegram CYC-2 A.1 dated 10-8-1948
(2) " " - dated 10-8-1948 from the Textile Commissioner, Bombay.

---

I enclose copies of telegrams cited above.

The first of the telegrams is a reply to my letter No.52084/48/E. dated 3-8-1948 to him, a copy of which was submitted to Government also. The Textile Commissioner, Bombay has suggested that one dealer may be nominated for the whole Province and he may be given instructions by us regarding sub-allotments to be made to each district. He wants a reply before 14th August 1948. I would suggest he may issue orders of release in the name of a representative of the Co-operative Department and the Registrar of Co-operative Societies may be requested to do the distribution to districts according to the quota given in my reference No.52084/E/48, dated 2nd August, 1948. The name of the representatives of Co-operative Department will have to be ascertained from the Registrar of Co-operative Societies.

2. In the second telegram, the Textile Commissioner, Bombay has placed at my disposal all cloth that are lying with the mills in the Province and has permitted me to issue orders under powers delegated to me. The Textile Commissioner, Bombay in his Notification No.80/Tex.1/48(1) dated 27-4-48 has authorised me to exercise powers to issue instructions to manufacturers to deliver cloth or yarn to persons nominated by me, if a direction has been given by Textile Commissioner, Bombay in this behalf. I enclose a copy of the Notification for ready reference. I presume this telegram can be taken as an order to that effect and I can proceed to issue orders to the Mills. This may be confirmed. I may also be informed if I can always act directly under such instructions of Textile Commissioner, Bombay without further orders from the local Government.

3. With reference to the nominees to whom the cloth should be allotted, I have in my letter Rc.52084/48 dated 2-8-1948 suggested that the Triplicane Urban Co-operative Society and the 22 stores may be our nominees. I may be immediately informed whether I may allot the cloth to the Triplicane Urban Co-operative Society and to the 22 stores according to the District Quota Scheme that was in force prior to de-control.

4. The suggestions in para 3 refer to only to mills other than Messrs. Buckingham Carnatic Mills and the Mettur Industries, Ltd., Mettur. These will be allowed to adhere to their own schemes after approval by me.

Yours Sincerely,

Sd/ M.S. Sivaraman.

My dear Nambiyai

I am to enclose a copy of a D.O. letter from the Provincial Textile Commissioner, Madras and to say that, in the circumstances explained therein, instructions may be issued to the District Superintendents of Police concerned to ask the police pickets to allow movement of cloth and yarn outside the mills on permits issued by the Provincial Textile Commissioner, Madras to the extent of the quantity covered by those permits.

Yours Sincerely

Development Deptt.

Attention is invited to the letter from the P.T.C. below. I have ascertained from the R.C.S. that he is sending a Deputy Registrar (very probably one Mr. Shanmugasundaram) to Bombay, at the latest on Saturday. The P.T.C. may therefore be requested to inform T.C., Bombay, that he may issue orders of release in the name of the R.C.S.,Madras, or his nominee who will do the distribution to the districts according to the quotas already diven.

2. Since the T.C., Bombay has authorised the P.T.C.,Madras to issue de-freezing orders in respect of production of cloth of mills in Madras Province, there seems to be no objection to the P.T.C. issuing de-freezing orders as proposed.

With regard to the question raised whether the P.T.C. can always act directly under such instructions from the T.C.,Bombay, without further orders from the Govt., the P.T.C. may be told to take orders from Govt. in such cases unless the quantities involved are small or the orders proposed to be issued by the P.T.C. are of a routine nature.

Paragraphs 3 and 4 It has already been decided hthat the entire production of B & C Mills should continue to be released by their own distributing agents. With regard to Mettur Industries Ltd., P.T.C. may be told that he may release 50% for distribution through their own distributors and arrange for the other 50% to be released through the co-operative Societies in consultation with the R.C.S. With regard to the other mills, it is not necessary that their production should all be brought to Madras for distribution through the T.U.C.S. P.T.C. may be requested to arrange for their distribution through co-operative societies in consultation with the R.C.S.
